

Arlington Community Foundation at a Glance

About ACF

Arlington Community Foundation brings people & resources together to grow giving, strengthen community, & create lasting change.

How? We provide the tools & expertise to personalize & maximize charitable giving, build connections between community members, resources, & local nonprofits, & drive initiatives & advocacy to create economic opportunities & prevent displacement.

Our Values

Sense of Belonging - A sense of belonging is at the heart of community. We celebrate each person's background & perspective to build a more inclusive community. We strive to honor & support their unique needs & aspirations.

Collective Wisdom - Our work is relational. We start by listening & understanding needs. We recognize that building trust takes time & intentionality. We elevate & amplify the work of others in our community, & we make connections between people who can make a greater difference by working together.

Lasting Impact - We bring community knowledge & planning expertise to help people create charitable legacies that enliven future possibilities for the causes & organizations they care about. We tackle community challenges that require sustained effort & testing bold ideas across sectors. This includes both responding to pressing community needs & keeping focus on long-term reforms.

Our Impact

\$50 Million+

Assets under management of the Foundation, including cash, stocks, retirement plans, mutual funds, real estate, & other asset types.

260+

Funds managed by the Foundation, ranging from memorial funds, to donor advised funds promoting cycling, to \$2 million nonprofit reserve funds, & much more in between.

\$600,000+ Annually

Scholarships awarded to Arlington students. Each scholarship has unique eligibility requirements determined by the fundholder such as area of study, graduating high school, & extracurricular activities, among others.

\$3 Million+ Annually

Grants awarded to nonprofits in Arlington & beyond, including Prompt Response grants, STEM Fellowships, education grants, & many more.
