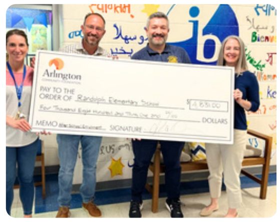
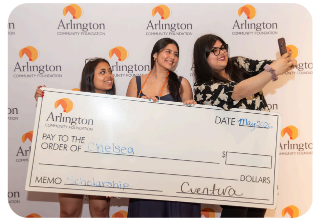
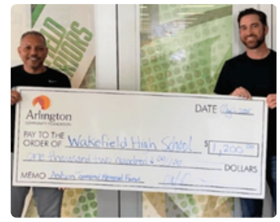
ARLINGTON COMMUNITY FOUNDATION

CORPORATE DONOR ADVISED FUNDS







Corporate Donor-Advised Funds are a charitable giving vehicle that can simplify philanthropy for businesses of all sizes. From small businesses looking to professionalize their investment in the community, to large corporations giving nationwide, Arlington Community Foundation's (ACF) donor-advised funds act as *the* backbone of your philanthropic program.

How it works

Upon signing a fund agreement with us, we set up a fund for your company at ACF.

Make a gift into your fund at ACF the way you would donate to any nonprofit – we accept checks, ACH, wire, stocks, and other assets.

We credit the gift to your fund and invest the money according to your investment selection.

You receive a tax deduction at the time of the addition.

Your fund balance is available at any time for grants out to a nonprofit – request a grant online at any time, and our team handles the rest from there! Grants typically get paid within 2 business days of receiving the grantee's bank information.

Administrative fees that power community

Your partnership with ACF increases the impact of your giving by supporting our work in the community and gives you access to the resources of our staff. Our mission is supported through fund administrative fees, direct contributions from the community, and investment returns. Your business' donor-advised fund will be charged an administrative fee based on the schedule below:

1.25% on first $500,000
1.00% on next $500,000
0.75% on next $2M
0.50% on next $2M
0.25% on next $2.5M
0.20% on all above $7.5M
Minimum annual fee of $250
